General Information

- ✓ **What services does Beacon provide?**
We provide mobile drug testing (DOT & non-DOT), DNA testing (legal & non-legal), animal DNA testing, and specimen collection services for individuals, employers, attorneys, and healthcare professionals.
- ✓ **Are you mobile only?**
Yes. Beacon is a mobile-only service. We come to your location for your convenience.
- ✓ **What areas do you serve?**
We proudly serve Athens, Huntsville, Madison, and surrounding communities throughout North Alabama.
- ✓ **How do I schedule a collection?**
You can request services through our website, call 256-800-5033, or email us at info@beaconspecimen.com.

Drug Testing

- ✓ **Do you offer DOT drug testing?**
Yes. We provide DOT urine drug testing and Breath Alcohol Technician support when required by a consortium.
- ✓ **Do you offer instant results?**
Yes. We offer CLIA-waived 10-panel instant urine drug screens with fentanyl.
- ✓ **How long do lab results take?**
Most lab-based results are available within 1-3 business days.
- ✓ **What ID is required?**
A government-issued photo ID is required for all collections.
- ✓ **Is testing confidential?**
Absolutely. We follow strict privacy and chain of custody protocols to protect all client information.

DNA Testing

- ✓ **Do you offer legal and non-legal DNA testing?**
Yes. We offer a full range of legal and non-legal DNA tests, including paternity, grandparent, siblingship, immigration, and more.
- ✓ **Is DNA testing accurate?**
Yes. We use accredited laboratories that meet the highest industry standards.
- ✓ **How do I get started?**
Contact us to discuss your needs, and we'll guide you through the simple collection process.
- ✓ **Can I pay in advance?**
Yes. All DNA testing must be paid in full prior to ordering the kit.

Animal DNA

- ✓ **What animals can be tested?**
We test canine, feline, and equine samples, including parentage verification, breed identification, and health screening.
- ✓ **Do I need to bring my pet?**
No. We come to you. We can collect samples at your location or during a veterinary visit.
- ✓ **Are results lab-backed?**
Yes. All animal DNA testing is processed by accredited veterinary DNA labs.

Insurance & Compliance

- ✓ **What insurance do you carry?**
We carry General Liability and Professional Liability insurance.
- ✓ **Are you certified?**
Yes. Our team holds current certifications required for all services we provide.
- ✓ **Do you follow federal and state regulations?**
Yes. We adhere to all applicable federal, state, and industry standards, including DOT, SAMHSA, HIPAA, and CLIA.

Payments & Billing

- ✓ **What payment methods do you accept?**
We accept all major credit/debit cards, cash, check, and money order.
- ✓ **Do employers receive invoicing?**
Yes. We offer convenient invoicing options for all employer accounts.
- ✓ **Can attorneys set up an account?**
Yes. We offer attorney account setup for streamlined scheduling and billing.
