NURSE-LED COLLECTIONS. PROFESSIONAL PROCESSING. COMPLETE PEACE OF MIND.

HOW BEACON HANDLES EVERYTHING FOR YOU

1

YOU CONTACT US

Call, email, or submit a request. We'll gather the details and answer any questions.

2

WE COME TO YOU

Our trained collector comes to your practice or a location that works for you.

3

WE COLLECT THE SAMPLES

We collect safe, painless samples from the animal(s) using proper techniques.

4

WE HANDLE THE PAPERWORK

We complete all forms, label everything, and ensure accuracy every step of the way.

5

WE SHIP TO THE LAB

Samples are packaged securely and sent to our accredited laboratory partners.

6

YOU GET THE RESULTS

We manage the entire process and deliver accurate, confidential results directly to you.

YOU FOCUS ON YOUR PATIENTS. WE TAKE CARE OF THE REST.
