

VETERINARY REFERRAL & APPOINTMENT GUIDE

A Quick Guide for Veterinary Staff

You refer. We handle the rest.

AFTER YOU MAKE A REFERRAL

Once you refer a client to Beacon, we take it from there.

-  Contact the client directly
-  Answer questions about the requested DNA test
-  Schedule the appointment
-  Coordinate a convenient collection location
-  Bring all collection supplies

COLLECTION LOCATION OPTIONS

Beacon offers flexible collection options, including:

-  **Veterinary Clinic**
-  **Client's Home**
(when appropriate)
-  **Workplace**
(when appropriate)
-  **Another Mutually Agreed Location**

Collection location may vary depending on the specific DNA test and laboratory requirements.

WHAT BEACON HANDLES

-  Client communication ✓
-  Appointment scheduling ✓
-  Animal identification verification ✓
-  Specimen collection ✓
-  Chain of custody documentation (when required) ✓
-  Packaging and shipping ✓
-  Laboratory coordination ✓
-  Results delivery ✓

WHAT YOUR CLINIC DOES

-  Complete the Veterinary Referral Form
-  Provide any necessary medical or registration information (if applicable)
-  Continue providing excellent veterinary care

That's it!

WHAT YOUR CLIENT CAN EXPECT

-  A friendly Beacon representative will contact them.
-  We'll explain the testing process and answer questions.
-  We'll meet them at the agreed collection location.
-  We'll perform the specimen collection professionally and compassionately.
-  We'll handle all paperwork and shipping.

THE BEACON PROCESS

GOOD TO KNOW

- We bring all necessary supplies.
- We follow strict chain of custody procedures when required.
- Our collectors are trained professionals with experience in animal handling.
- We make the process easy for you and your clients.

Thank you for partnering with Beacon to provide convenient, professional animal DNA testing solutions.

NEED ASSISTANCE?

If you or your client have questions before the appointment, we're happy to help.
