WHAT IS ANIMAL DNA TESTING?

Animal DNA testing analyzes an animal's genetic markers to answer important questions. It is safe, non-invasive, and simple.

- ✓ Provides accurate relationships and identity verification
- ✓ Helps breeders make informed breeding decisions
- ✓ Supports health and hereditary condition screening
- ✓ Used for purebred registration and documentation
- ✓ Useful in lost/stolen animal recovery

HOW DOES IT WORK?

1

SCHEDULE

Contact us to choose your test and schedule your appointment.

2

VERIFICATION

We verify the identity of the animal and owner.

3

SAMPLE COLLECTION

A simple, non-invasive sample (cheek swab or hair) is collected.

4

LAB ANALYSIS

Samples are analyzed in an accredited laboratory.

5

RESULTS

Results are provided with a clear, easy-to-understand report.

Our process is quick, accurate, and stress-free. We handle the details so you get the answers you need.

WHY ANIMAL DNA TESTING IS USED

PARENTAGE VERIFICATION

Confirm parentage of puppies, kittens, or foals.

BREED VERIFICATION

Verify breed authenticity for registration and documentation.

BREEDER SUPPORT

Make informed decisions and improve breeding programs.

HEALTH & GENETIC SCREENING

Identify genetic markers related to hereditary conditions and traits.

LOST/RECOVERY ASSISTANCE

Help establish ownership in lost or stolen animal cases.

SPECIES WE SERVE

Canine • Feline
Equine
Other animals (ask us!)

★ Whether for personal knowledge, breeding programs, or legal needs, DNA testing provides answers you can trust.

SAMPLE TYPES WE COLLECT

CHEEK SWAB
Quick, painless, and stress-free.

HAIR WITH ROOT
Small amount of hair with the root attached.

BLOOD (IF NEEDED)
In rare cases or as recommended.

♥ Non-invasive options are always our first choice.

WHY CHOOSE BEACON?

- ✓ Veterinary-focused and nurse-led
- ✓ Accredited laboratory partners
- ✓ Mobile collection throughout North Alabama
- ✓ Compassionate, professional care for you and your animal
- ✓ Clear communication and fast turnaround times
- ✓ Confidential and secure handling of every sample

♥ Professional. Local. Trusted.
